**PLEASE REMEMBER:**

As part of Creston's service agreement with Waste Management, every home in Creston is entitled to dispose of one free bulk item each week. Be sure to take advantage of this service as needed, on your regular collection day – just set your one item by your trash cart. Bulk items can include furniture, bicycles, windows, doors and many items safely handled by one person.

Not included are construction or demolition debris, concrete, bricks, vehicle parts, hazardous waste, appliances, etc.

Also, remember that grass, leaves, brush, etc. do NOT belong in the trash or recycling containers, but can instead be taken to the City Compost Site on Osage Street. Check the City website for hours.

**Thanks for helping keep Creston beautiful!**
