Press Release

2017 Paint Creston Program

The Image Enhancement Committee of the Creston Chamber of Commerce is again offering paint and painting supplies through the Paint Creston Program to a minimum of five Creston owner occupied homes in 2017. In the seven years that the program has been in place, 36 homes in Creston have been painted.

In the past, some homeowners have been hesitant to participate for fear of increasing their home's assessed value. According to Union County Assessor, Theresa Pudenz, "The assessment on a home will not raise if the home is painted or re-roofed contrary to popular belief."

In order to be considered for the program, each interested homeowner needs to complete an application which is available at the Chamber Office or online at www.crestoniowachamber.com **The completed application must be returned no later than 5:00 p.m. on May 3, 2017,** to the Chamber Office, 208 West Taylor Street, Creston, IA. The mailing address is PO Box 471, Creston, IA, 50801 and the Chamber email address is chamber@crestoniowachamber.com.

For questions please call the Chamber Office at 641-782-7021.

We truly believe that a little paint can make a dramatic difference.
