

The Paint Creston Program Is Again Being Offered in 2026 to Eligible Home Owners

The Creston Chamber of Commerce, Image Enhancement Committee will again be offering paint and painting supplies through the Paint Creston Program to a minimum of three Creston owner occupied homes in 2026. Over the past fifteen years, 75 Creston homes have been painted with help from this program.

Thank you to our anonymous donors for providing part of the funding to allow us to continue this program.

To be eligible, the home must be owner-occupied, located within Creston city limits and the homeowner must be able to arrange for the painting to be completed by October 19th, 2025. In previous years, homeowners, their families, friends, or organizations that they are directly involved with have assisted in the painting.

Interested homeowners can obtain an application from the Chamber Office at 301 W. Montgomery Street in Creston, or online at www.crestoniowachamber.com or www.crestoniowa.gov. The completed application must be returned by 5:00 p.m. on May 8th, 2026, to the Chamber Office either by mail (PO Box 471, Creston, IA, 50801) or via email (chamber@crestoniowachamber.com). Each application will be reviewed and the homeowners will be contacted by May 20th if their home was selected to receive paint and supplies.

For questions please contact the Chamber Office at 641-782-7021 or by email.

We truly believe that a little paint can make a dramatic difference.
